

Freshness Comes Naturally at Flynns Bee Farms Ltd.

Only the best is good enough for family and friends. So naturally at Flynns, a family business, we search for the best. But then we go one step further - for maximum benefit to Your Health & Beauty, we ensure that ex-

Health From the Hive

Over 20 years ago Bee Farmers Iris & Bill Flynn discovered that "Iron-Curtain" scientists were using the antibiotic & antiseptic resin from bee-hives, called Propolis, in medical trials. The Flynns had Propolis from their own hives prepared to the highest standard for their own family use – where man-made drugs failed – and the results became world famous.

Flynns Propolis Capsules have since brought comfort & relief to millions.

Pure English Honey is *expertly* handled to retain its precious goodness & also blended with Propolis, Royal Jelly, Pollen Granules or All Three, for Flynns **Honey-Plus** range; **Fresh Royal Jelly** is *The Food of Queen Bees* and personal stamina!
