JUBILEE CELEBRATIONS

As many of you already know we decided not to have a group party in celebration of the Jubilee but to do something for the community.

We had a lovely morning on Tuesday 5th June at the Whitstable and Tankerton Hospital.

We entertained patients, friends and staff with our show called:

"For Old Times Sake"

It was a slightly saucy story around the familiar melodies of the Old Time Music Hall with plenty of singing and dancing. The costumes and scenery completed the whole production.

Thanks so much to Barbara Regan who once again did the choreography and to Audrey Lee who made lots of the scenery.

We also presented each patient with a handmade box filled with chocolates.

We received a lovely thank you letter from the Hospital together with a framed photograph of us.

If in the future we do another production and you are interested in joining in please let a committee member know.
